REMARKS

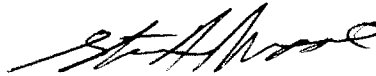

In accordance with 37 CFR 1.2, Applicants submit a summary of telephonic interview which took place on October 3, 2007 with regard to the above case.

The undersigned discussed the pending claims with the Examiner.

The interview took place with the understanding that the Examiner does not have signatory authority and thus could make no statement regarding patentability or the withdrawal of any rejection. The In Re Wands factors of the enablement rejection were discussed, specifically the potential of providing dated evidence of enablement on or before the application date. Applicant indicated his desire to schedule an additional interview where Examiner's supervisor could be present .

Prior art was not discussed in relation to the pending claims.

Respectfully submitted,

Steven A. Moore
